

Shadowclad® Is Now Available UNTREATED!!

July 2008

Following strong demand Carter Holt Harvey Woodproducts is pleased to introduce Shadowclad® Untreated Groove Natural and Texture Natural to the Shadowclad® range.

Shadowclad® Untreated has been developed for internal, moisture free installation to create a striking design statement. Shadowclad® Untreated is available in 2440, 2745 and 3050mm sheet lengths with suitable uses including:

- Interior wall and ceiling linings
- Feature walls
- Partitions
- Back lining to exposed rafters

All untreated product has been both stamped and labelled on the reverse side to ensure easy identification.

For further information contact your Account Manager or call the Customer Service Centre on 0800 746 399
